Job title / Grade:	Senior Clinical Physiologist in Neurophysiology
Reports to:	Chief Clinical Physiologist in Neurophysiology and Consultant in Clinical Neurophysiology
Key Working Relationships:	The department has Clinical Physiologists at Chief, Senior and Basic Grade levels

Key Duties and Responsibilities

- Conforms to all Departmental, as well as Hospital, policies and procedures.
- Maintains appropriate interpersonal skills with patients, colleagues, clinicians and other hospital staff
- The Senior Clinical Physiologist in Neurophysiology is expected to perform his / her duties under guidance of the Chief Clinical Physiologist in Neurophysiology, if and when a Chief Clinical Physiologist in Neurophysiology has been appointed to the department of Clinical Neurophysiology, and the Consultant in Clinical Neurophysiology, and reports to the Chief Clinical Physiologist in Neurophysiology and the Consultant in Clinical Neurophysiology.
- Performs other departmental duties such as collection of statistics, archiving, stock taking and other duties as directed by the Consultant in Clinical Neurophysiology.
- In some cases, for example in case of an emergency, the Senior Clinical Physiologist in Neurophysiology could be required to work outside the contracted hours. Time in lieu will be granted in these circumstances.

Specific Duties:

- Maintenance of all instrumentation in excellent working order, checking calibration, including sterilisation where necessary and making minor maintenance adjustments and repairs deemed by the instrument manufacturer as appropriate and safe.
- Record, measure and monitor selected neurophysiological activities of patients as required by a Clinician and as assigned by the Consultant in Clinical Neurophysiology.
- Explains the test procedures to the patient in order to obtain the patient's cooperation necessary for a complete examination. With regard to inpatients, checks the patient's medical chart for orders and special needs with particular attention to patients with cardiac pacemakers.
- Performs routine video-EEG recordings, bed-side EEGs, sleep-deprived video-EEG recordings, ambulatory EEGs, prolonged video-EEG recordings, nerve conduction studies and evoked potentials in a highly skilled, patient-appropriate manner, recognising normal and abnormal results and recognising, and taking reasonable steps to eliminate, physiological and non-physiological artefact. As some studies will need to be performed in a ward, in the Emergency Department or in the Intensive Care Unit, the Senior Clinical Physiologist in Neurophysiology should understand the special technical requirements of these areas.

Management/Education

- Participate in the academic interests of the Departments, and in particular, to have an active role in the teaching and supervision of students and junior personnel, under the supervision and direction of the Consultant in Clinical Neurophysiology.
- Contribute as required to the development of training programmes for established staff and external groups.
- Attend staff "In-Service" training programme.
- Must update his / her knowledge and training according to changes in medical procedures and as new developments are introduced.

Health & Safety

- Ensure that effective safety procedures are in place to comply not only with the Health, Safety and Welfare at Work act but also within the spirit of the Hospital
- The holder of the post must have an appreciation of electrical safety requirements

The above Job Description is not intended to be a comprehensive list of all duties involved and consequently, the post holder may be required to perform other duties as appropriate to the post which may be assigned to him/her from time to time and to contribute to the development of the post while in office. This document must be regarded as an outline of the major areas of accountability at the present time, which will be reviewed and assessed on an on-going basis.

The Hospital Structure is currently under review and therefore, reporting relationships may change.

Non-European Economic Area Applicants: While St. Vincent's University Hospital is an equal opportunities employer, in line with current Department of Jobs, Enterprise and Innovation Employment Permit requirements, applications from non-European Economic Area (EEA) will only be considered in the event that an EEA citizen cannot be found to fill the vacancy. Please note that if you are a NON-EEA applicant and are unable to supply documents (listed on www.djei.ie), you are not entitled to participate in this recruitment competition. This is in accordance with the EU Community Preference Rule. Further information is available at www.djei.ie.

Former Public Service employees: Eligibility to compete may be affected where applicants were formerly employed by the Irish Public Service and previously availed of an Irish Public Service Scheme including:

- Incentivised Scheme for Early Retirement (ISER)
- Department of Health and Children Circular (7/2010)
- Collective Agreement: Redundancy Payments to Public Servants

Applicants should ensure that they are not precluded from re-engagement in the Irish Public Service under the terms of such Schemes. This is a non-exhaustive list and any queries should be directed to an applicant's former Irish Public Service Employer in the first instance.

Persons in receipt of a pension from specified Superannuation Schemes: Former Health Service and Public Sector Employees must adhere to the relevant prohibition of re-employment provisions where they have previously availed of a Public Service Voluntary Early Retirement or Ill Health Retirement Pension from any of the following Pension schemes:

- Local Government Superannuation Scheme (LGSS)
- Health Service Executive Employee Superannuation Scheme
- Voluntary Hospitals Superannuation Scheme (VHSS Officers/Non Officers)
- Nominated Health Agencies Superannuation Scheme (NHASS)
- Other Public Service Superannuation Scheme

Among the Voluntary Early Retirement Schemes referred to above are the following:

- Incentivised Scheme of Early Retirement (ISER)
- Voluntary Early Retirement Scheme 2010 (VER)

Prospective candidates must satisfy themselves as to their eligibility to be employed applying / competing for posts to be filled through this recruitment campaign.

Abatement of Pension (Section 52 of Public Service Pensions Act 2012): Where a person who is in receipt of a Public Service Pension (e.g. retired on voluntary age grounds) is subsequently appointed to another Public Service post, the Abatement of Pension Regulations apply. This means that in a situation where the total of a person's pension combined with their salary from their new post, exceeds the uprated (current) salary of the position from which they retired, his/her pension is reduced by any such excess amount. This provision applies irrespective of whether the relevant pension was accrued in the same Pension Scheme which applies to the new appointment, or in another Public Service Pension Scheme.

Shortlisting: Shortlisting will be carried out on the basis of information supplied on your curriculum vitae. The criteria for shortlisting are based on the requirements of the post as outlined in the Person Specification. Failure to include information regarding these requirements on your CV may result in you not being called forward to the next state of the recruitment process.

All overseas qualifications must be validated. No candidate can work in the Hospital without validated qualifications. If professional registration is also a requirement, candidates must provide documentation of same.

Canvassing will automatically disqualify.

Please note that you will be contacted mainly by mobile phone and email. It is important that your mobile phone number, postal address and email address are correct. It is your responsibility to ensure that you have access to your mobile voice mails and emails. We recommend that you use an email address that you have regular access to.

Competency based interviews follow the shortlisting stage of the recruitment process. Credit is awarded by the interview panel to candidates who demonstrate at interview that they possess the experience, competencies and skills listed in the person specification. Candidates will normally be given at least one week's notice of interview. Interviews are held in person only, no subsequent or alternative dates to dates given will be offered to candidates. All interviews are held in the HR Department of St. Vincent's University Hospital, Elm Park, Dublin 4 unless it is specifically noted otherwise in the Job Description. All posts are located in St. Vincent's University Hospital, Elm Park, Dublin 4 unless it is specifically noted otherwise in the Job Description.

Disability: Please let us know if you need any special assistance at interview, e.g. if you have difficulty in moving up or down stairs or have hearing or speech difficulties.

Candidates are notified of the result of their interview at the earliest possible date after the interview. The recommendation of the interview panel does not constitute a job offer. The process continues after the interview and includes clearance checks such as references, Garda clearance, occupational health clearance, validation of qualifications and experience. A job offer is made pending satisfactory clearances. SVUH reserves the right to remove candidates from specific recruitment panels and retract job offers if satisfactory clearances cannot be obtained or are deemed unsatisfactory.

** If you lived in any country for 6 months or more from the date of your 16th birthday other than the Republic of Ireland or Northern Ireland you will be required to provide security clearance for each jurisdiction in which you have resided. Your security clearance must be dated AFTER you left that country and cover the entire period of your residence. Seeking security clearances from other countries are the responsibility of the candidate. It is a process which can take an amount of time. Therefore we would strongly advise that you commence seeking international security clearances now.*

For some recruitment competitions a panel of successful candidates may be formed as a result of the interviews. Candidates who obtain a place on the panel may, (within the life of the panel), be considered for subsequent approved vacancies. Candidates are placed on a panel in order of merit. A panel is typically live for 6 months.

It is normal procedure that candidates be placed on the first point of the relevant salary scale in accordance with the Department of Finance guidelines.

Declaration: Please read your application carefully and check for any errors or omissions. False declaration or omission in support of your application will disqualify you from appointment.

This document must be regarded as an outline of the major areas of accountability at the present time, which will be reviewed and assessed on an on-going basis.
