Job title / Grade: Consultant Respiratory Physician
Reports to: Reports and is accountable to the relevant Clinical Director and Departmental Clinical Lead.

Department Information:

St Vincent's University Hospital provides a complete inpatient and outpatient respiratory service in the Centre for Respiratory Disease, incorporating a National Cancer Control Programme (NCCP) designated centre for lung cancer, nationally known referral centres for interstitial and rare lung diseases, severe asthma and sleep-disordered breathing and the National Referral Centres for adult cystic fibrosis.

It includes designated inpatient and day ward bases for general respiratory patients, sleep medicine and cystic fibrosis patients, a non-invasive ventilation (NIV) unit and step down care for tracheostomised patients, diagnostic and interventional pulmonology including thoracic ultrasound-guided pleural service and endobronchial ultrasound, sleep laboratory, pulmonary function laboratory including exercise physiology, pulmonary rehabilitation, inpatient respiratory consultation service, advanced nurse practitioner-delivered care for unscheduled respiratory patients, additional ambulatory care services for COPD, tuberculosis and rare lung diseases, virtual clinics and nurse-led clinics for biologic asthma therapies and COPD outreach in conjunction with respiratory physiotherapists.

Many of these clinical services are delivered on a sessional basis by the medical professorial unit (MPU) from the UCD School of Medicine situated on the hospital campus, which is heavily involved in teaching and research efforts. Diagnostic services such as pulmonary function tests are open to direct GP referral.

The Centre also integrates through joint consultant posts with the Acute Medicine Unit in SVUH, pulmonary rehabilitation and inpatient/outpatient respiratory services at St Michael's Hospital and sleep disordered breathing services in the Mater Misericordiae University Hospital and provides support to St Colmcille's Hospital and NCCP multidisciplinary team support for lung cancer referrals from St Luke's Hospital Kilkenny.

Key Duties and Responsibilities:

- To participate in development of and undertake all duties and functions pertinent to the Consultant's area of competence, as set out within the Clinical Directorate Service Plan¹ and in line with policies as specified by St. Vincent's University Hospital.
- To ensure that duties and functions are undertaken in a manner that minimises delays for patients and possible disruption of services.

- To work within the framework of the hospital and/or levels of service (volume, types etc.) as determined by St Vincent's University Hospital. Service planning for individual clinical services will be progressed through the Clinical Directorate structure or other arrangements as apply.
- To co-operate with the expeditious implementation of the Disciplinary Procedure.
- To formally review the execution of the Clinical Directorate Service Plan with the Clinical Director / Employer periodically. The Clinical Directorate Service Plan shall be reviewed periodically at the request of the Consultant or Clinical Director / Employer. The Consultant may initially seek internal review of the determinations of the Clinical Director regarding the Service Plan.
- To participate in the development and operation of the Clinical Directorate structure and in such management or representative structures as are in place or being developed. The Consultant shall receive training and support to enable him/her to participate fully in such structures.
- To provide, as appropriate, consultation in the Consultant's area of designated expertise in respect of patients of other Consultants at their request.
- To ensure in consultation with the Clinical Director that appropriate medical cover is available at all times having due regard to the implementation of the European Working Time Directive as it relates to doctors in training.
- To supervise and be responsible for diagnosis, treatment and care provided by non-Consultant Hospital Doctors (NCHDs) treating patients under the Consultant's care.
- To participate as a right and obligation in selection processes for non-Consultant Hospital Doctors and other staff as appropriate. The Employer will provide training as required. The Employer shall ensure that a Consultant representative of the relevant specialty / sub-specialty is involved in the selection process.
- To participate in clinical audit and proactive risk management and facilitate production of all data/information required for same in accordance with regulatory, statutory and corporate policies and procedures.
- To participate in and facilitate production of all data/information required to validate delivery of duties and functions and inform planning and management of service delivery.
- Maintain throughout the Hospitals awareness of the primacy of the patient in relation to all of the Hospitals' activities.
- Demonstrate behaviour consistent with the values of the Hospitals.
- Actively participate in and promote continuing education and research activities consistent with the position.
- Promote open communications throughout the Hospitals.
- Cover for fellow Consultants during holidays, sickness or other approved absences.
- Provide a consultative service as required.
- Participate in the development of services in the hospital, including the assumption of appropriate administrative roles.
- Liaise with the Chief Executive, Director of Nursing, Chair of Medical Board, Consultant staff and others in all matters pertaining to the efficient management of the hospital services.
- Perform such other duties appropriate to his/her office as may be assigned to him/her from time to time.

- Advise on the development and maintenance of Respiratory services within the resources of the hospital and in co-operation with management.
- Manage, as required, patients in ICU.
- Encourage and support research and development.
- Organise and participate in the teaching of undergraduate and postgraduate students, Nursing and other staff of the hospital.

Specific Duties of Post:

- To lead the implementation of the alternative outpatient pathways in their specialty in St Vincent's University hospital and ambulatory care hub (to include the provision of a rapid access clinic as a priority, focusing on non-malignant urgent respiratory care, to complement the lung cancer rapid access service to which the consultant will also contribute on a rostered basis).
- Promote and aid co-ordination and integration of care between primary and secondary health care and relevant social care agencies through activities such as sitting on the Local Integrated Care Governance Group and participation in case management and multidisciplinary team meetings.
- Lead out on the development of pathways and support early discharge/hospital avoidance where possible.
- Contribute to general medicine on-call services.
- Promote and further develop disease prevention in Respiratory medicine.
- Act as an advisor on case-finding mechanisms for individuals with undiagnosed chronic disease.
- Act as a resource and provider of specialty-specific expertise on public health initiatives for the local population.
- Embrace service redesign as appropriate for their specialty-specific services.
- To act as a learning resource and provide and promote continuing education for primary care physicians, practice and district nurses and community service providers with regards to respiratory care.
- Work with the National Clinical Programmes, the chronic disease programmes, the ICPCD and the National Clinical Advisor and Group Lead for Chronic Disease to develop integrated care.

The successful candidate will be rostered according to departmental schedules and on call rosters and in accordance with contractual obligations. Consultants are required to submit a detailed practice plan outlining weekly commitment to the department. This will be used to create a template for the weekly schedule and will allow for the monitoring of duties.

The above Job Description is not intended to be a comprehensive list of all duties involved and consequently, the post holder may be required to perform other duties as appropriate to the post which may be assigned to him/her from time to time and to contribute to the development of the post while in office. This document must be regarded as an outline of the major areas of accountability at the present time, which will be reviewed and assessed on an on-going basis. The Hospital Structure is currently under review and therefore, reporting relationships may change.

All Hospital policies and procedures form an integral part an employment contract and may be subject to update and revision, from time to time, in consultation with union representatives as appropriate. Employees are required to comply with all hospital policies, procedures (e.g. Dignity at Work, Trust in Care, Computer Usage Policy) and the Hospital's ethical codes of practice.

Employees are required to abide by the hospital's code of behaviour and the code of practice as defined by their relevant professional body.

Please note the following:

- The Hospital Board is not responsible for loss or theft of personal belongings
- Fire orders must be observed, and staff must attend the fire lectures periodically
- All accidents within the department must be reported immediately.
- In line with the Safety, Health and Welfare at Work Act (2005), smoking within the Hospital Building is not permitted.
- All staff are advised to avail of Hepatitis B Vaccination with Occupational health
- The use of personal mobile phones is prohibited.
- St. Vincent's University Hospital buildings and grounds are **smoke-free**.

Application Process:

St. Vincent's University Hospital is an equal opportunities employer and is committed to promoting an environment free from discrimination in accordance with the Employment Equality Acts 1998 and 2004. The Hospital values diversity and recognises the benefits of having a workforce that reflects the community we serve. We are committed to equality of access to positions within the Hospital. All recruitment activity and documentation will encourage applications from all potential candidates without discrimination.

Applications must be made on-line via the careers page on our website: www.svuh.ie.

- Note the closing date(s) for the submission of on-line applications are specified on the list of vacancies. St. Vincent's University Hospital are not able to accept late applications.
- It is the applicant's responsibility to ensure that they apply well in advance of the closing date.
- Any applications which are still in progress but have not been submitted after the closing date will not be considered.
- Applications for St. Vincent's University Hospital job vacancies will only be accepted through our website.
- St. Vincent's University Hospital may only take into account technical issues raised by an applicant if advised to our Human Resources Department prior to the advertised closing date.
- St. Vincent's University Hospital will not be liable for travelling or other expenses incurred by candidates who may be required to attend for interviews.
- References will be obtained for all candidates in advance of the interview. It is the candidate's responsibility to ensure their referees can expect contact to provide a reference to support your application.

Entry to competition and subsequent appointment

- For the purposes of eligibility for entry to any competition or recruitment process associated with this post, a candidate must fulfil the eligibility requirements laid down in consultant appointment documents for the post.
- The successful interviewee must be registered as a Specialist in the relevant specialty on the Specialist Division of the Register of Medical Practitioners maintained by the Medical Council of Ireland before taking up appointment. The candidate will be allowed a max of 180 calendar days

from date of interview to secure this registration and produce evidence of special interest training where relevant.

- Should the successful candidate not be registered as a Specialist at that time, the post may be offered to the next suitable candidate (or, in the case of HSE posts, the Public Appointments Service may choose not to recommend that candidate to the employer). Should no suitable candidate exist, a further recruitment process may be initiated.
- The employer may decide to make a proleptic appointment(s) as provided for at Section 2 d) of Consultant Contract 2008.

Shortlisting: Shortlisting will be carried out on the basis of information supplied on your curriculum vitae. The criteria for shortlisting are based on the requirements of the post as outlined in the Person Specification. Failure to include information regarding these requirements on your CV may result in you not being called forward to the next stage of the recruitment process.

Canvassing will automatically disqualify.

Please note that you will be contacted mainly by mobile phone and email. It is important that your mobile phone number, postal address and email address are correct. It is your responsibility to ensure that you have access to your mobile voice mails and emails. We recommend that you use an email address that you have regular access to.

Competency based interviews follow the shortlisting stage of the recruitment process. Candidates will normally be given at least two weeks' notice of interview. Interviews are held in person only, no subsequent or alternative dates to dates given will be offered to candidates. All interviews are held in St. Vincent's University Hospital, Elm Park, Dublin 4 unless it is specifically advised otherwise.

Disability: Please let us know if you need any special assistance at interview, e.g. if you have difficulty in moving up or down stairs or have hearing or speech difficulties.

Candidates are notified of the result of their interview at the earliest possible date after the interview. The recommendation of the interview panel does not constitute a job offer. The process continues after the interview and includes clearance checks such as references, Garda Vetting, International Police Clearance (if applicable), occupational health clearance, validation of qualifications and experience. A job offer is made pending satisfactory clearances. SVUH reserves the right to remove candidates from specific recruitment panels and retract job offers if satisfactory clearances cannot be obtained or are deemed unsatisfactory. It should be noted that no offer of employment is made, or should be interpreted as having been made, until the St. Vincent's University Hospital formally offers employment by way of a contract of employment. A person will not be appointed to a position until a signed contract is returned to the issuing office. It is expected that the successful candidate will take up duty within 3 months of being formally offered the position. St. Vincent's University Hospital reserves the right to withdraw the offer of employment should appointees fail to meet these timeframes.

For some recruitment competitions a panel of successful candidates may be formed as a result of the interviews. Candidates who obtain a place on the panel may, (within the life of the panel), be considered

for subsequent approved vacancies. Candidates are placed on a panel in order of merit. A panel is typically live for 6 months.

It is normal procedure that candidates be placed on the first point of the relevant salary scale in accordance with the Department of Finance guidelines.

Declaration: Please read your application carefully and check for any errors or omissions. False declaration or omission in support of your application will disqualify you from appointment.

This document must be regarded as an outline of the major areas of accountability at the present time, which will be reviewed and assessed on an on-going basis.

Date: October 2025
