

Advertisement for Group Director, Estates, Facilities and Services, St Vincent's Healthcare Group

St. Vincent's University Hospital, St. Michael's Hospital, Dun Laoghaire and St Vincent's Private Hospital, Elm Park are all part of the St. Vincent's Healthcare Group. The new National Maternity Hospital will be built as part of the St. Vincent's Healthcare Group at Elm Park.

St. Vincent's Healthcare Group offers a unique multi-disciplinary approach to patient care in the country's only integrated multi-hospital campus. The Group provides front-line, acute, chronic and emergency care across over 50 different medical and surgical specialities and our hospitals are an integral part of services in the region, providing local, regional and national services in designated specialities.

SVHG wishes to embark on ground-breaking endeavours aimed at enhancing Irish healthcare, and this exciting Estates leadership role will play a key part in the delivery of these plans. With a robust track record of delivering high-quality facilities and care and a commitment to innovation and research, SVHG is poised to become a more significant contributor to Ireland's health sector. The post holder will be required to lead the implementation of an agreed Campus vision for the future and to develop an appropriate organisational support in delivering the ambitious campus development plans within SVHG.

Job title: Group Director, Estates, Facilities and Services

Reports to: Group Director of Operations of St Vincent's Healthcare Group

Role purpose:

- Work closely with the GDO, Group Officers, the CEOs of the three hospitals, and other senior staff members to develop and seek approvals and consents as required for the rolling Estates strategy, presenting it to senior staff, the Board, and other internal and external stakeholders such as the Health Service Executive and Department of Health, and planning authorities.
- Lead the delivery of approved capital projects through a complex structure of internal and external design, team members and contractors.
- Prepare specific capital development projects for approval by senior management, the Board, external planners and, where appropriate, the HSE.
- Provide assurance to the Board, the Group and HSE on all major group hospital developments, including the NMH and other infrastructure projects.

How to Apply:

Informal enquiries to Sean O'Driscoll, Athrú Consultancy Limited

Tel: +353 (0)1 4061924 (landline) or +353 (0) 87 220 2045 (Mobile) or Email: recruit@athru.ie

Interested candidates should contact the recruitment consultant, who can provide the complete role specification. Applicants should send a cover letter outlining their suitability for the role and a full Curriculum Vitae to the email address above.

Closing date for applications: Friday, 9th January 2026.
