Accountability and Working Relationships

Title: Senior Physiotherapist in Older Adult Medicine and Rehabilitation

Reports to: Physiotherapist Manager In-Charge III

Role Summary:

The post holder will join the Physiotherapy Department's Rehabilitation team and participate in planning, organising and providing the Older Adult Acute Medicine and Rehabilitation Physiotherapy Service, in accordance with the Mission, vision, values and strategic plan of the organisation;

- To develop and co-ordinate the Older Adult Acute Medicine and Rehabilitation Physiotherapy Service
- To identify and implement operational procedures in line with best practice standards to provide the highest quality of patient care and optimal use of resources
- To assist the Physiotherapist Managers in the leadership and management of the Physiotherapy service, which is patient centred and which measures and audits performance and client satisfaction

Mission Statement

The Physiotherapy Department aspires:

- To the establishment of the highest quality service which is sensitive to the needs of the individual, the hospital and the community and which demands of staff a level of expertise and skill commensurate with the highest standards of the profession.
- To the cultivation of an environment, which fosters and stimulates a spirit of enquiry and analysis, creating a service, which is dynamic, effective and appropriate.
- To enable patients to achieve the highest quality of life which their condition allows, by educating and encouraging patient participation in care management and by ensuring that the formulation of care plans encompasses both the social and environmental factors.
- To the promotion and support of continuing professional development, education and research at undergraduate and postgraduate levels.

Professional Responsibilities:

- Design, co-ordinate and deliver an effective and efficient Older Adult Acute Medicine and Rehabilitation Physiotherapy Service based on assessment of needs.
- Develop and administer the highest quality of service by identifying and implementing operational procedures in line with best practice standards.
- Maintain appropriate records and statistics sufficient for organisational and legal purposes.
- Keep up to date with new developments, skills and technology to ensure continuing competence in the role.
- Enhance skills to initiate and respond to changes in the work environment as required e.g. data analysis, clinical audit and research.

Management Responsibilities

- Lead and co-ordinate the Older Adult Acute Medicine and Rehabilitation Physiotherapy team in co-operation with the Physiotherapist Managers.
- Participate in the management of the Physiotherapy Service as a member of the Senior Physiotherapy team in co-operation with the Physiotherapist Managers.
- Create and promote good working relationships through open communication.
- Contribute to and participate in the staff induction, staff appraisal and in service training programmes.
- Actively participate in and promote continuing education and research activities consistent with the position.
- Maintain appropriate records and statistics sufficient for organisational and legal purposes to include work related injuries or incidents.
- Produce a service report for the Hospital Annual Report, if required.
- Maintain and update an asset register of appropriate equipment and text books in conjunction with the Asset Register of the hospital.
- Regularly review and update the Physiotherapy Policy, Procedures and Guidelines Documents.
- Be responsible for overseeing equipment safety tests, both electrical and non-electrical, in accordance with the Physiotherapy Department's Safety Policy.
- Ensure that all new electrical equipment has been approved by the Department of Clinical Engineering prior to use in the Physiotherapy Department.
- To participate in the weekend and on-call with stand-by service.

Staff Management:

- Lead by example a professional, dedicated and punctual team.
- Encourage professional development of team members at undergraduate, graduate and post graduate level through promotion of self-learning, formal courses and in-service training.
- Educate and supervise physiotherapy undergraduates on clinical placement.
- Ensure staff compliance with the Physiotherapy Department's policy on BLS, Manual and Patient Handling and Mandatory training programmes.

Health and Safety:

- Ensure that effective safety procedures are in place to comply with the Health, Safety and Welfare at Work Act, but also within the spirit of the Hospital's mission, vision and values.
- Be aware of and uphold the St. Vincent's University Hospital Safety Statement, Fire Safety regulations and the Major Disaster Plan.
- Ensure that faulty equipment is immediately removed from treatment areas and restored to safe use as promptly as possible.

Information Technology:

- In association with the Information Technology Department, comply with the development of a computer-integrated management system for the Physiotherapy Department.
- Collect, interpret and present data and information, performing at expected clinical standard, through audit of service activity and use of appropriate outcome measures.

Research

- To promote, lead and participate in research.

Financial:

- In co-operation with the Physiotherapist Managers, participate in the control of expenditure and management of departmental budgets, including a planned programme for replacing capital equipment.

Please note the following:

- The hours of work are in accordance with the hospital's policy and at the discretion of the Physiotherapist Managers in response to service needs.
- The extent and speed of change in the delivery of health care is such that adaptability is essential. The post-holder will be required to maintain, enhance and develop the necessary professional knowledge, skills and aptitudes required to respond to a situation.

The above Job Description is not intended to be a comprehensive list of all duties involved and consequently, the post holder may be required to perform other duties as appropriate to the post which may be assigned to him/her from time to time and to contribute to the development of the post while in office. This document must be regarded as an outline of the major areas of accountability at the present time, which will be reviewed and assessed on an on-going basis.

The Hospital Structure is currently under review and therefore, reporting relationships may change.

- St. Vincent's University Hospital may only take into account technical issues raised by an applicant if advised to our Human Resources Department prior to the advertised closing date.

Non-European Economic Area Applicants: While St. Vincent's University Hospital is an equal opportunities employer, in line with current Department of Jobs, Enterprise and Innovation Employment Permit requirements, applications from non European Economic Area (EEA) will only be considered in the event that an EEA citizen cannot be found to fill the vacancy. Please note that if you are a NON-EEA applicant and are unable to supply documents (listed on www.djei.ie), you are not entitled to participate in this recruitment competition. This is in accordance with the EU Community Preference Rule. Further information is available at www.djei.ie.

Former Public Service employees: Eligibility to compete may be affected where applicants were formerly employed by the Irish Public Service and previously availed of an Irish Public Service Scheme including:

- Incentivised Scheme for Early Retirement (ISER)
- Department of Health and Children Circular (7/2010)
- Collective Agreement: Redundancy Payments to Public Servants

Applicants should ensure that they are not precluded from re-engagement in the Irish Public Service under the terms of such Schemes. This is a non-exhaustive list and any queries should be directed to an applicant's former Irish Public Service Employer in the first instance.

Persons in receipt of a pension from specified Superannuation Schemes: Former Health Service and Public Sector Employees must adhere to the relevant prohibition of re-employment provisions where they have previously availed of a Public Service Voluntary Early Retirement or Ill Health Retirement Pension from any of the following Pension schemes:

- Local Government Superannuation Scheme (LGSS)
- Health Service Executive Employee Superannuation Scheme
- Voluntary Hospitals Superannuation Scheme (VHSS Officers/Non Officers)
- Nominated Health Agencies Superannuation Scheme (NHASS)
- Other Public Service Superannuation Scheme

Among the Voluntary Early Retirement Schemes referred to above are the following:

- Incentivised Scheme of Early Retirement (ISER)
- Voluntary Early Retirement Scheme 2010 (VER)

Prospective candidates must satisfy themselves as to their eligibility to be employed applying / competing for posts to be filled through this recruitment campaign.

Abatement of Pension (Section 52 of Public Service Pensions Act 2012): Where a person who is in receipt of a Public Service Pension (e.g. retired on voluntary age grounds) is subsequently appointed to another Public Service post, the Abatement of Pension Regulations apply. This means that in a situation where the total of a person's pension combined with their salary from their new post, exceeds the uprated (current) salary of the position from which they retired, his/her pension is reduced by any such excess amount. This provision applies irrespective of whether the relevant pension was accrued in the same Pension Scheme which applies to the new appointment, or in another Public Service Pension Scheme.

Shortlisting: Shortlisting will be carried out on the basis of information supplied on your curriculum vitae. The criteria for shortlisting are based on the requirements of the post as outlined in the Person Specification. Failure to include information regarding these requirements on your CV may result in you not being called forward to the next state of the recruitment process.

All overseas qualifications must be validated. No candidate can work in the Hospital without validated qualifications. If professional registration is also a requirement, candidates must provide documentation of same.

Canvassing will automatically disqualify.

Please note that you will be contacted mainly by mobile phone and email. It is important that your mobile phone number, postal address and email address are correct. It is your responsibility to ensure that you have access to your mobile voice mails and emails. We recommend that you use an email address that you have regular access to.

Competency based interviews follow the shortlisting stage of the recruitment process. Credit is awarded by the interview panel to candidates who demonstrate at interview that they possess the experience, competencies and skills listed in the person specification. Candidates will normally be given at least one weeks' notice of interview. Interviews are held in person only, no subsequent or alternative dates to dates given will be offered to candidates. All interviews are held in the HR Department of St. Vincent's University Hospital, Elm Park, Dublin 4 unless it is specifically noted otherwise in the Job Description. All posts are located in St. Vincent's University Hospital, Elm Park, Dublin 4 unless it is specifically noted otherwise in the Job Description.

Disability: Please let us know if you need any special assistance at interview, e.g. if you have difficulty in moving up or down stairs or have hearing or speech difficulties.

Candidates are notified of the result of their interview at the earliest possible date after the interview. The recommendation of the interview panel does not constitute a job offer. The process continues after the interview and includes clearance checks such as references, Garda clearance, overseas police clearance (if applicable)*, occupational health clearance, validation of qualifications and experience. A job offer is made pending satisfactory clearances. SVUH reserves the right to remove candidates from specific recruitment panels and retract job offers if satisfactory clearances cannot be obtained or are deemed unsatisfactory.

** If you lived in any country for 6 months or more from the date of your 16th birthday other than the Republic of Ireland or Northern Ireland you will be required to provide security clearance for each jurisdiction in which you have resided. Your security clearance must be dated AFTER you left that country and cover the entire period of your residence. Seeking security clearances from other countries are the responsibility of the candidate. It is a process which can take an amount of time. Therefore we would strongly advise that you commence seeking international security clearances now.*

For some recruitment competitions a panel of successful candidates may be formed as a result of the interviews. Candidates who obtain a place on the panel may, (within the life of the panel), be considered

for subsequent approved vacancies. Candidates are placed on a panel in order of merit. A panel is typically live for 6 months.

It is normal procedure that candidates be placed on the first point of the relevant salary scale in accordance with the Department of Finance guidelines.

Declaration: Please read your application carefully and check for any errors or omissions. False declaration or omission in support of your application will disqualify you from appointment.

This document must be regarded as an outline of the major areas of accountability at the present time, which will be reviewed and assessed on an on-going basis.
