Job title / Grade: Respiratory Physiologist
Reports to: Senior & Chief Respiratory Physiologists

Overview: The appointed Physiologist will undertake the duties appropriate to a Basic Respiratory Physiologist under the direction of the Senior & Chief Respiratory Physiologists

Key Duties and Responsibilities

- The post holder will be required to carry out a range of routine lung function tests and may be required to participate in overnight sleep studies (training will be provided for sleep studies).
- A complete understanding of all the techniques and equipment associated with these tests as well as an ability to make accurate measurements is required.
- The post holder will be required to follow the direction of the senior staff.
- Support the sleep NTPF project by contributing to operations in the sleep and pulmonary lab as appropriate.
- Support the operation of the Chronic Disease hubs attached to St Vincent's University Hospital in Bray and Clonskeagh along with the satellite Pulmonary Lab located in St Michael's Hospital Dun Laoghaire.

Clinical Duties:

- Conduct a full range of routine pulmonary function tests including, spirometry, reversibility, DLCO, static lung volumes (multi-breath and body plethysmography), muscle strength tests, FeNO, impulse oscillometry and skin allergy tests on all patients attending the Pulmonary laboratory
- Conduct Haemoglobin measurements on suitable patients undergoing DLCO testing*
- Perform administrative duties relating to scheduling patient appointments for PFT's
- Deal effectively with queries regarding PFT tests and appointments
- Conduct and manually score overnight diagnostic sleep tests, including full polysomnography studies and limited sleep studies*
- Conduct and supervise MSLT studies*
- Calibrate equipment daily and perform routine maintenance and cleaning on equipment as per laboratory protocols, under the direction of the senior staff
- Participate in Quality control program to ensure accurate and reproducible results.
- Participate in regular audits as part of the multidisciplinary team in the Sleep/Pulmonary Laboratory
- Report any malfunctioning or unsafe equipment to senior staff
- Ensure clinical standards and standards of patient care are followed at all times
- Ensure that accurate patient records and departmental statistics are recorded
- Participate in the clinical research activity in the Department when required
- Follow hospital policies and procedures in all aspects of care
- Be familiar with the hospital and department disaster plans and their implementation

*in-house training will be provided if required

Administrative Responsibilities:

- Adhere to hospital policies and procedures in all aspects of care
- Participate in cost awareness and cost control policies in the department

- Display qualities of leadership and good communication with all users of service and other service providers
- Report accidents and incidents. Participate in the investigation and remedial action
- Be familiar with Hospital & Departmental Disaster Plans and its implementation
- Self-Development & Education
- As medical procedures change and developments are introduced the Physiologist must update his/her knowledge and training accordingly.
- Attend staff training programmes.
- Maintain a personal record of professional development. Act as a role model.
- Assist in maintaining a level of excellence in patient care by maintaining standards and supporting the overall management of the Department.

The above Job Description is not intended to be a comprehensive list of all duties involved and consequently, the post holder may be required to perform other duties as appropriate to the post which may be assigned to him/her from time to time and to contribute to the development of the post while in office. This document must be regarded as an outline of the major areas of accountability at the present time, which will be reviewed and assessed on an on-going basis.

The Hospital Structure is currently under review and therefore, reporting relationships may change.

Informal Enquiries or Role Specific Enquiries:

Ms Rachel Anglin, Chief II Respiratory Physiologist E-mail: r.anglin@svuh.ie

Character	Candidates for and any person holding the office must be of good character.	

Note 1*

In exceptional cases, where IICMS are not in a position to validate pre 2005 qualifications, the Clinical Measurement Physiologists experts on the eligibility / selection board may, at their discretion, deem as eligible:

HSE applicants who are currently employed as Clinical Measurement Physiologist, and who were employed in or before 2005, on the presentation of proof of their qualification/s that was acceptable on the commencement of their employment.

***Disclaimer:** Any candidate applying for this post who has achieved a clinical measurement physiology qualification outside of the Irish jurisdiction is required to apply to the Irish Institute of Clinical Measurement Physiology (IICMP) to acquire equivalence of their qualifications. Details of this process are available from the IICMP website www.iicmp.ie. Recognition of equivalence of qualifications from the IICMP is required to take up this position.

In order to allow sufficient time to submit the required documentation, Candidates are advised to commence the process of equivalence with the IICMP as soon as they decide to apply for positions in Ireland. To find out more about recognition of foreign academic award levels for education programmes see [NARIC Ireland Foreign Qualifications](#).

Particulars of Office:

The appointment is: Whole time, Temporary, Pensionable

Panel: A panel may be formed to fill upcoming temporary, whole-time and part-time vacancies over the next 6 months.

Annual Salary: as at 01/02/2026, pro rata

1	2	3	4	5	6	7	8	9	10
44,776	47,031	49,070	49,996	51,025	53,785	55,512	57,280	61,689 LSI	66,048 LSI

These particulars are subject to change in line with overall public pay policy.

Candidates should expect to be appointed on the minimum of the salary range and in accordance with the Department of Finance guidelines.

Probationary Period: The appointee shall hold office for a probationary period of six months – The Hospital's Probation and Induction policy will apply.

Pension Scheme: The candidate will be entered into one of the Hospital Superannuation Schemes.

Working Hours: The person appointed will work a basic 35 hour week. You will be required to work the agreed roster / on call arrangements advised to you by your line manager. Your contracted hours of work are liable to change between the hours of 8am – 8pm over seven days to meet the requirements for the extended day services in accordance with the terms of the Framework Agreement. (Reference HSE HR Circular 003/2009). Flexibility on hours of attendance in response to service needs will be a requirement.

Annual leave entitlement: 27 days per annum pro rata each year. Annual leave accrued must be taken within the duration of the contract or calendar year and as agreed between the candidate and the Head of Department.

Additional Information

Confidentiality:

During the course of employment staff may have access to, or hear information concerning the medical or personal affairs of patients, students, staff and / or other health service business. Such records and information are strictly confidential and unless acting on the instruction of an authorised officer, such information must not be divulged or discussed except in the performance of normal duty. In addition records must never be left in such a manner that unauthorised persons can obtain access to them and must be kept in safe custody when no longer required.

Hygiene:

During the course of employment staff members are required to ensure that the hospital's hygiene and infection control policies are adhered to at all times. All employees have responsibility to prevent transmission of infection by adhering to and implementing optimal hand hygiene and adhering to the Hospital's Hygiene processes. Hygiene is a fundamental component of St Vincent's University Hospital's quality system to ensure the safety and well-being of its patients and staff and plays a role in the

prevention and control of healthcare associated infection.

Policies / Legislation:

All Hospital policies and procedures form an integral part an employment contract and may be subject to update and revision, from time to time, in consultation with union representatives as appropriate. Employees are required to comply with all hospital policies, procedures (e.g. Dignity at Work, Trust in Care, Computer Usage Policy) and the Hospital's ethical codes of practice.

Employees are required to abide by the hospital's code of behaviour and the code of practice as defined by their relevant professional body.

Protected Disclosure Policy:

See link below for more information on our Protected Disclosure Policy as per the Protected Disclosure (Amendment) Act 2022;

[Protected Disclosures - St. Vincent's University Hospital \(stvincents.ie\)](http://stvincents.ie)

Please note the following:

- The Hospital Board is not responsible for loss or theft of personal belongings
- Fire orders must be observed and staff must attend the fire lectures periodically
- All accidents within the department must be reported immediately.
- In line with the Safety, Health and Welfare at Work Act (2005), smoking within the Hospital Building is not permitted.
- All staff are advised to avail of Hepatitis B Vaccination with Occupational health
- The use of personal mobile phones is prohibited.
- St. Vincent's University Hospital buildings and grounds are **smoke-free**.

Application Process: St. Vincent's University Hospital is an equal opportunities employer and is committed to promoting an environment free from discrimination in accordance with the Employment Equality Acts 1998 and 2004. The Hospital values diversity and recognises the benefits of having a workforce that reflects the community we serve. We are committed to equality of access to positions within the Hospital. All recruitment activity and documentation will encourage applications from all potential candidates without discrimination.

Interested candidates should apply for vacancies of interest by visiting the Hospital Careers pages: <http://www.stvincents.ie/Home/Careers.html>

- Note the closing date(s) for the submission of on-line applications are specified on the list of vacancies. St. Vincent's University Hospital are not able to accept late applications.
- It is the applicant's responsibility to ensure that they apply well in advance of the closing date.
- Any applications which are still in progress but have not been submitted after the closing date will not be registered by our Web Recruitment System.
- Applications for St. Vincent's University Hospital job vacancies will only be accepted through our Web Recruitment System.
- St. Vincent's University Hospital may only take into account technical issues raised by an applicant if advised to our Human Resources Department prior to the advertised closing date.

Non-European Economic Area Applicants: While St. Vincent's University Hospital is an equal opportunities employer, in line with current Department of Jobs, Enterprise and Innovation Employment Permit requirements, applications from non-European Economic Area (EEA) will only be considered in the event that an EEA citizen cannot be found to fill the vacancy. Please note that if you are a NON-EEA applicant and are unable to supply documents (listed on www.djei.ie), you are not entitled to participate in this recruitment competition. This is in accordance with the EU Community Preference Rule. Further information is available at www.djei.ie.

Former Public Service employees: Eligibility to compete may be affected where applicants were formerly employed by the Irish Public Service and previously availed of an Irish Public Service Scheme including:

- Incentivised Scheme for Early Retirement (ISER)
- Department of Health and Children Circular (7/2010)
- Collective Agreement: Redundancy Payments to Public Servants

Applicants should ensure that they are not precluded from re-engagement in the Irish Public Service under the terms of such Schemes. This is a non-exhaustive list and any queries should be directed to an applicant's former Irish Public Service Employer in the first instance.

Persons in receipt of a pension from specified Superannuation Schemes: Former Health Service and Public Sector Employees must adhere to the relevant prohibition of re-employment provisions where they have previously availed of a Public Service Voluntary Early Retirement or Ill Health Retirement Pension from any of the following Pension schemes:

- Local Government Superannuation Scheme (LGSS)
- Health Service Executive Employee Superannuation Scheme
- Voluntary Hospitals Superannuation Scheme (VHSS Officers/Non Officers)
- Nominated Health Agencies Superannuation Scheme (NHASS)
- Other Public Service Superannuation Scheme

Among the Voluntary Early Retirement Schemes referred to above are the following:

- Incentivised Scheme of Early Retirement (ISER)
- Voluntary Early Retirement Scheme 2010 (VER)

Prospective candidates must satisfy themselves as to their eligibility to be employed applying / competing for posts to be filled through this recruitment campaign.

Abatement of Pension (Section 52 of Public Service Pensions Act 2012): Where a person who is in receipt of a Public Service Pension (e.g. retired on voluntary age grounds) is subsequently appointed to another Public Service post, the Abatement of Pension Regulations apply. This means that in a situation where the total of a person's pension combined with their salary from their new post, exceeds the uprated (current) salary of the position from which they retired, his/her pension is reduced by any such excess amount. This provision applies irrespective of whether the relevant pension was accrued in the same Pension Scheme which applies to the new appointment, or in another Public Service Pension Scheme.

Shortlisting: Shortlisting will be carried out on the basis of information supplied on your curriculum vitae. The criteria for shortlisting are based on the requirements of the post as outlined in the Person Specification. Failure to include information regarding these requirements on your CV may result in you not being called forward to the next state of the recruitment process.

All overseas qualifications must be validated. No candidate can work in the Hospital without validated qualifications. If professional registration is also a requirement, candidates must provide documentation of same.

Canvassing will automatically disqualify.

Please note that you will be contacted mainly by mobile phone and email. It is important that your mobile phone number, postal address and email address are correct. It is your responsibility to ensure that you have access to your mobile voice mails and emails. We recommend that you use an email address that you have regular access to.

Competency based interviews follow the shortlisting stage of the recruitment process. Credit is awarded by the interview panel to candidates who demonstrate at interview that they possess the experience, competencies and skills listed in the person specification. Candidates will normally be given at least one weeks' notice of interview. All interviews are held in the HR Department of St. Vincent's University Hospital, Elm Park, Dublin 4 unless it is specifically noted otherwise. No subsequent or alternative dates to dates given will be offered to candidates. All posts are located in St. Vincent's University Hospital, Elm Park, Dublin 4 unless it is specifically noted otherwise in the Job Description.

Disability: Please let us know if you need any special assistance at interview, e.g. if you have difficulty in moving up or down stairs or have hearing or speech difficulties.

Candidates are notified of the result of their interview at the earliest possible date after the interview. The recommendation of the interview panel does not constitute a job offer. The process continues after the interview and includes clearance checks such as references, Garda clearance, overseas police clearance (if applicable)*, occupational health clearance, validation of qualifications and experience. A job offer is made pending satisfactory clearances. SVUH reserves the right to remove candidates from specific recruitment panels and retract job offers if satisfactory clearances cannot be obtained or are deemed unsatisfactory.

** If you lived in any country for 6 months or more from the date of your 16th birthday other than the Republic of Ireland or Northern Ireland you will be required to provide security clearance for each jurisdiction in which you have resided. Your security clearance must be dated AFTER you left that country and cover the entire period of your residence. Seeking security clearances from other countries are the responsibility of the candidate. It is a process which can take an amount of time. Therefore we would strongly advise that you commence seeking international security clearances now.*

For some recruitment competitions a panel of successful candidates may be formed as a result of the interviews. Candidates who obtain a place on the panel may, (within the life of the panel), be considered for subsequent approved vacancies. Candidates are placed on a panel in order of merit. A panel is typically live for 6 months.

It is normal procedure that candidates be placed on the first point of the relevant salary scale in accordance with the Department of Finance guidelines.

Declaration: Please read your application carefully and check for any errors or omissions. False declaration or omission in support of your application will disqualify you from appointment.

This document must be regarded as an outline of the major areas of accountability at the present time, which will be reviewed and assessed on an on-going basis.
