St Vincent's University Hospital,
Elm Park,
Dublin 4.

Contact: +353 (1) 221 6047 or medicalrecruitment@svuh.ie

Job title / Grade: Consultant Radiologist

Reports to: Reports and is accountable to the relevant Clinical Director **and/or** Departmental Clinical Leads in SVUH and NMH.

Department Information:

St. Vincent's University Hospital (SVUH): The radiology department in SVUH provides the imaging and interventional radiology service for SVUH, the major level 4 hospital in the HSE Dublin and South East region. In 2025, 216,000 examinations and procedures were performed in the Radiology department in SVUH, across the full range of imaging modalities (including approx. 40,000 CTs, 9,700 MRIs, 24,450 Ultrasounds, 2,370 PET-CTs, 6,125 Nuclear Medicine studies, 105,400 Digital Radiography examinations and 13,000 Interventional procedures).

In SVUH's role as a tertiary and quaternary referral centre, as well as providing a service to SVUH patients, the department also receives referrals for imaging from hospitals in the region and from around the country. This applies in particular to regional cancer patients (for example prostate, lung, breast, colorectal, ENT, thyroid, gynae) and cancer patients for whom St Vincent's is the National Referral Centre (for example NET, Sarcoma, Pancreatic Transplant and Pancreatic Cancer Surgery, Testicular Cancer). The radiology department also serves patients referred by GPs to SVUH for imaging.

National Maternity Hospital (NMH): The National Maternity Hospital is one of Europe's largest maternity hospitals and a leading provider of maternity, women's health and reproductive care, established over 130 years ago. Our expert multidisciplinary team is dedicated to providing the highest standard of care to women and their families, through a range of services including maternity, women's health and neonatology. Over the years subspecialties have expanded to include expert, evidence-based care for women and babies incorporating fetal medicine, maternal medicine, anaesthetic care, perinatal genetics, perinatal mental health and bereavement care, pathology, radiology.

Our women's health services have also expanded exponentially, and our gynaecology team treats over 10,000 outpatients annually. Our colposcopy service is funded by the National Cancer Screening Service and has one of the largest units in Europe. We have also developed specialist services catering for urogynaecology, gynaecological cancer, complex menopause care, paediatric adolescent gynaecology, pain management, fertility and also transgender care.

Key Duties and Responsibilities:

- To participate in development of and undertake all duties and functions pertinent to the Consultant's area of competence, as set out within the Clinical Directorate Service Plan¹ and in line with policies as specified by St. Vincent's University Hospital and the National Maternity Hospital.
- To ensure that duties and functions are undertaken in a manner that minimises delays for patients and possible disruption of services.
- To work within the framework of the hospital and/or levels of service (volume, types etc.) as determined by St. Vincent's University Hospital and the National Maternity Hospital.. Service

planning for individual clinical services will be progressed through the Clinical Directorate structure or other arrangements as apply.

- To co-operate with the expeditious implementation of the Disciplinary Procedure.
- To formally review the execution of the Clinical Directorate Service Plan with the Clinical Director / Employer periodically. The Clinical Directorate Service Plan shall be reviewed periodically at the request of the Consultant or Clinical Director / Employer. The Consultant may initially seek internal review of the determinations of the Clinical Director regarding the Service Plan.
- To participate in the development and operation of the Clinical Directorate structure and in such management or representative structures as are in place or being developed. The Consultant shall receive training and support to enable him/her to participate fully in such structures.
- To provide, as appropriate, consultation in the Consultant's area of designated expertise in respect of patients of other Consultants at their request.
- To ensure in consultation with the Clinical Director that appropriate medical cover is available at all times having due regard to the implementation of the European Working Time Directive as it relates to doctors in training.
- To supervise and be responsible for diagnosis, treatment and care provided by non-Consultant Hospital Doctors (NCHDs) treating patients under the Consultant's care.
- To participate as a right and obligation in selection processes for non-Consultant Hospital Doctors and other staff as appropriate. The Employer will provide training as required. The Employer shall ensure that a Consultant representative of the relevant specialty / sub-specialty is involved in the selection process.
- To participate in clinical audit and proactive risk management and facilitate production of all data/information required for same in accordance with regulatory, statutory and corporate policies and procedures.
- To participate in and facilitate production of all data/information required to validate delivery of duties and functions and inform planning and management of service delivery.
- Maintain throughout the Hospitals awareness of the primacy of the patient in relation to all of the Hospitals' activities.
- Demonstrate behaviour consistent with the values of the Hospitals.
- Actively participate in and promote continuing education and research activities consistent with the position.
- Promote open communications throughout the Hospitals.
- *Cover for fellow Consultants during holidays, sickness or other approved absences.*
- Provide a consultative service as required.
- Participate in the development of services in the hospital, including the assumption of appropriate administrative roles.
- Liaise with the Chief Executive, Director of Nursing, Chair of Medical Board, consultant staff and others in all matters pertaining to the efficient management of the hospital services.
- Perform such other duties appropriate to his/her office as may be assigned to him/her from time to time.
- Advise on the development and maintenance of services within the resources of the hospital and in co-operation with management.
- Manage, as required, patients in ICU
- Encourage and support research and development.
- Organise and participate in the teaching of undergraduate and postgraduate students, Nursing and other staff of the hospital.

Specific Duties of Post:

- The radiologist will work as a member of the team of consultant radiologists, with responsibility for reporting US, MRI, CT, XR examinations and in particular, gynaecological examinations. This will include signing off draft reports written by radiology Specialist Registrars (SpR) and the reporting of US, Fluoroscopy, X-ray and MRI in the National Maternity Hospital.
- Sharing in the duty roster for reporting general radiology including ED, in-patient and GP examinations.
- Sharing responsibility with colleagues for MDT and specialty conference preparation and presentation, in accordance with areas of expertise.
- Performing image guided biopsies and other image guided procedures relevant to expertise.
- Discussion of cases with clinical colleagues as necessary
- Sharing in full in the on-call rota for consultant radiologists
- Sharing responsibility for non-clinical roles, such as SpR/education coordinator and Department Clinical Lead on a rotational basis with colleagues.
- Teaching radiology SpRs and medical students as part of the normal working day
- Contributing to development of imaging protocols and hospital procedures, according to areas of particular expertise.
- Contributing to hospital committees as appropriate.

The successful candidate will be rostered according to departmental schedules and on call rosters and in accordance with contractual obligations. Consultants are required to submit a detailed practice plan outlining weekly commitment to the department. This will be used to create a template for the weekly schedule and will allow for monitoring of duties.

The above Job Description is not intended to be a comprehensive list of all duties involved and consequently, the post holder may be required to perform other duties as appropriate to the post which may be assigned to him/her from time to time and to contribute to the development of the post while in office. This document must be regarded as an outline of the major areas of accountability at the present time, which will be reviewed and assessed on an on-going basis. The Hospital Structure is currently under review and therefore, reporting relationships may change.

Informal Enquiries or Role Specific Enquiries:

Professor David Brophy, Clinical Director – Diagnostics / Consultant Radiologist. **Email:** dbrophy@svhg.ie

Travelling and subsistence expenses necessarily incurred by a Consultant in the course of duty shall be met on the basis applicable to persons of appropriately senior status in the public sector.

External Work (Private Practice):

You may not engage in private practice on-site in accordance with the Contract Type. Please refer to Clause 24 of the Public Only Consultant Contract 2023 of the Terms and Conditions of the Consultant Contract.

Medical Council Registration

The appointee should be registered as a specialist in the Specialist Division of the Register of Medical Practitioners maintained by the Medical Council in Ireland in the specialty of **radiology**.

Clinical Indemnity Scheme

This post is indemnified by the Clinical Indemnity Scheme. See Clause 34 of the Terms and Conditions of the Consultant Contract.

Superannuation/Retirement:

(a) You will be covered by the terms of the relevant pension scheme as set out in Sections 5 & 6 of DPER circular 19/2012. Appropriate deductions will be made from your salary in respect of your contributions to the scheme. In general, 65 is the minimum age at which pension is payable, however, for appointees who are deemed not to be 'new entrants' as defined in the Public Service Superannuation Miscellaneous Provisions Act 2004 an earlier minimum pension age may apply.

(b) Should you be deemed not to be a new entrant (as defined in the Public Service Superannuation (Miscellaneous Provisions) Act 2004), retirement is compulsory on reaching 65 years of age.

(c) Consultants newly appointed on or after 1st January, 2013 or persons returning to public service employment after a break of more than 26 weeks will be members of the Single Public Service Pension Scheme. The Single Scheme provides for CPI-linked defined-benefit pension awards based on career-average pay. Minimum pension age will be linked to the State Pension age (66 years initially, rising to 67 in 2021 and 68 in 2028). Pension benefits for new entrants will accrue on a standard basis (i.e. one year's credit for one year's service up to a maximum of 40 years' service) while normal abatements of pension provision will apply to all public sector posts. Compulsory retirement age for most members will be 70 years.

Details of the various schemes are available from the Benefits Unit of the HR Department.

Disciplinary & Grievance Procedures

See Appendix 6 & 7 of the Public Only Consultant Contract.

Job Description –Consultant Radiologist

HSE Approval Number: VTRARA09

Additional Information

St. Vincent's University Hospital

St. Vincent's University Hospital is a 614 bedded teaching hospital. The catchment area has a population of approximately 360,000 people and is situated in Dublin Mid Leinster/South Dublin Hospitals Network. The hospital provides a comprehensive range of medical, surgical, radiology, pathology and other services for this region and, at the present time for some areas outside it.

The hospital is part of the teaching facility at University College Dublin and undertakes undergraduate and postgraduate teaching and training. The appointee will have the opportunity of participating fully in all the research and academic activities of the Department of Radiology and will be encouraged to develop their own research interests. They will also be expected to participate in teaching with special emphasis on undergraduates. The appointee will be a member of the Medical Board of St. Vincent's University Hospital.

The appointee will have full access to all the academic facilities available at the St. Vincent's University Hospital site and through its association with the School of Medicine and Medical Sciences, University College Dublin.

National Maternity Hospital

The National Maternity Hospital is one of Europe's largest maternity hospitals and a leading provider of maternity, women's health and reproductive care, established over 130 years ago. Our expert multidisciplinary team is dedicated to providing the highest standard of care to women and their families, through a range of services including maternity, women's health and neonatology. Over the years' subspecialties have expanded to include expert, evidence-based care for women and babies incorporating fetal medicine, maternal medicine, anaesthetic care, perinatal genetics, perinatal mental health and bereavement care, pathology, radiology.

Our women's health services have also expanded exponentially and our gynaecology team treats over 10,000 outpatients annually. Our colposcopy service is funded by the National Cancer Screening Service and has one of the largest units in Europe. We have also developed specialist services catering for urogynaecology, gynaecological cancer, complex menopause care, paediatric adolescent gynaecology, pain management, fertility and also transgender care.

The hospital has built up an international reputation for undergraduate and postgraduate training and education for the multidisciplinary team of healthcare providers in all related specialties. Staff are also able to avail of extensive professional development which is facilitated in association with our education providers including University College Dublin and the Royal College of Surgeons of Ireland.

Confidentiality:

During the course of employment staff may have access to, or hear information concerning the medical or personal affairs of patients, students, staff and / or other health service business. Such records and information are strictly confidential and unless acting on the instruction of an authorised officer, such information must not be divulged or discussed except in the performance of normal duty. In addition records must never be left in such a manner that unauthorised persons can obtain access to them and must be kept in safe custody when no longer required.

Hygiene:

During the course of employment staff are required to ensure that the hospital's hygiene and infection control policies are adhered to at all times. All employees have responsibility to prevent transmission of infection by adhering to and implementing optimal hand hygiene and adhering to the Hospital's Hygiene processes. Hygiene is a fundamental component of St Vincent's University Hospital's quality

Job Description –Consultant Radiologist

HSE Approval Number: VTRARA09

system to ensure the safety and well-being of its patients and staff and plays a role in the prevention and control of healthcare associated infection.

Policies / Legislation:

All Hospital policies and procedures form an integral part an employment contract and may be subject to update and revision, from time to time, in consultation with union representatives as appropriate. Employees are required to comply with all hospital policies, procedures (e.g. Dignity at Work, Trust in Care, Computer Usage Policy) and the Hospital's ethical codes of practice.

Employees are required to abide by the hospital's code of behaviour and the code of practice as defined by their relevant professional body.

Please note the following:

- The Hospital Board is not responsible for loss or theft of personal belongings
- Fire orders must be observed and staff must attend the fire lectures periodically
- All accidents within the department must be reported immediately.
- In line with the Safety, Health and Welfare at Work Act (2005), smoking within the Hospital Building is not permitted.
- All staff are advised to avail of Hepatitis B Vaccination with Occupational health
- The use of personal mobile phones is prohibited.
- St. Vincent's University Hospital buildings and grounds are **smoke-free**.

Application Process:

St. Vincent's University Hospital is an equal opportunities employer and is committed to promoting an environment free from discrimination in accordance with the Employment Equality Acts 1998 and 2004. The Hospital values diversity and recognises the benefits of having a workforce that reflects the community we serve. We are committed to equality of access to positions within the Hospital. All recruitment activity and documentation will encourage applications from all potential candidates without discrimination.

Applications **must be made on-line** via the careers page on our website: www.svuh.ie.

- Note the closing date(s) for the submission of on-line applications are specified on the list of vacancies. St. Vincent's University Hospital are not able to accept late applications.
- It is the applicant's responsibility to ensure that they apply well in advance of the closing date.
- Any applications which are still in progress but have not been submitted after the closing date will not be considered.
- Applications for St. Vincent's University Hospital job vacancies will only be accepted through our website.
- St. Vincent's University Hospital may only take into account technical issues raised by an applicant if advised to our Human Resources Department **prior** to the advertised closing date.
- St. Vincent's University Hospital will not be liable for travelling or other expenses incurred by candidates who may be required to attend for interviews.
- References will be obtained for all candidates in advance of the interview. It is the candidates responsibility to ensure their referees can expect contact to provide a reference to support your application.

Entry to competition and subsequent appointment

- For the purposes of eligibility for entry to any competition or recruitment process associated with this post, a candidate must fulfil the eligibility requirements laid down in consultant appointment documents for the post.

Job Description –Consultant Radiologist

HSE Approval Number: VTRARA09

- The successful interviewee must be registered as a Specialist in the relevant specialty on the Specialist Division of the Register of Medical Practitioners maintained by the Medical Council of Ireland before taking up appointment. The candidate will be allowed a max of 180 calendar days from date of interview to secure this registration and produce evidence of special interest training where relevant.
- Should the successful candidate not be registered as a Specialist at that time, the post may be offered to the next suitable candidate (or, in the case of HSE posts, the Public Appointments Service may choose not to recommend that candidate to the employer). Should no suitable candidate exist, a further recruitment process may be initiated.
- The employer may decide to make a proleptic appointment(s) as provided for at Section 2 d) of Consultant Contract 2008.

Shortlisting: Shortlisting will be carried out on the basis of information supplied on your curriculum vitae. The criteria for shortlisting are based on the requirements of the post as outlined in the Person Specification. Failure to include information regarding these requirements on your CV may result in you not being called forward to the next stage of the recruitment process. Canvassing will automatically disqualify.

Please note that you will be contacted mainly by mobile phone and email. It is important that your mobile phone number, postal address and email address are correct. It is your responsibility to ensure that you have access to your mobile voice mails and emails. We recommend that you use an email address that you have regular access to.

Competency based interviews follow the shortlisting stage of the recruitment process. Candidates will normally be given at least two weeks' notice of interview. Interviews are held in person only, no subsequent or alternative dates to dates given will be offered to candidates. All interviews are held in St. Vincent's University Hospital, Elm Park, Dublin 4 unless it is specifically advised otherwise.

Disability: Please let us know if you need any special assistance at interview, e.g. if you have difficulty in moving up or down stairs or have hearing or speech difficulties.

Candidates are notified of the result of their interview at the earliest possible date after the interview. The recommendation of the interview panel does not constitute a job offer. The process continues after the interview and includes clearance checks such as references, Garda Vetting, International Police Clearance (if applicable), occupational health clearance, validation of qualifications and experience. A job offer is made pending satisfactory clearances. SVUH reserves the right to remove candidates from specific recruitment panels and retract job offers if satisfactory clearances cannot be obtained or are deemed unsatisfactory. It should be noted that no offer of employment is made, or should be interpreted as having been made, until the St. Vincent's University Hospital formally offers employment by way of a contract of employment. A person will not be appointed to a position until a signed contract is returned to the issuing office. It is expected that the successful candidate will take up duty within 3 months of being formally offered the position. St. Vincent's University Hospital reserves the right to withdraw the offer of employment should appointees fail to meet these timeframes.

For some recruitment competitions a panel of successful candidates may be formed as a result of the interviews. Candidates who obtain a place on the panel may, (within the life of the panel), be considered for subsequent approved vacancies. Candidates are placed on a panel in order of merit. A panel is typically live for 6 months.

It is normal procedure that candidates be placed on the first point of the relevant salary scale in accordance with the Department of Finance guidelines.

Declaration: Please read your application carefully and check for any errors or omissions. False declaration or omission in support of your application will disqualify you from appointment.

This document must be regarded as an outline of the major areas of accountability at the present time, which will be reviewed and assessed on an on-going basis.

Date: March 2026
