Job title / Grade: Quality & Patient Safety Coordinator (Grade VI)

Reports to: Quality & Patient Safety Advisor

Key Duties and Responsibilities

Overview:

Evolving healthcare requires a well-resourced and skilled department to lead quality initiatives across the healthcare system. Quality & Patient Safety are core fundamentals of every department and aspect of care and services provided here in St. Vincent's University Hospital (SVUH). With SVUH possessing a number of accreditations e.g. JCI, INAB and in light of the National Licencing of Healthcare proposal by HIQA, SVUH Quality & Patient Safety Department are ideally placed to build on our existing expertise and knowledge to support the organisation in facing future challenges.

The Quality and Patient Safety (QPS) Coordinator (Grade VI) will work with multiple teams, focusing on quality improvement projects (QIPs) within SVUH both from external drivers (e.g. National Quality Improvement initiatives/projects/IHA projects/International Standards) and projects identified internally (e.g. through Clinical Directorates/incidents/ Audit).

The QPS Coordinator (Grade VI) will support departmental teams (Quality & Patient Safety, Health & Safety, Clinical Risk, Patient Feedback and Complaints) as required, with ongoing projects, including but not limited to, accreditation activities, service user improvement initiatives and supporting internal incident reviews. Additionally, the QPS Coordinator will be responsible for supporting a suite of QIPs in line with SVUH strategic goals, to deliver the optimum utilisation of resources in targeted initiatives to improve the quality of care.

Key Duties and Responsibilities:

- As a member of the Quality and Patient Safety Department, participate in the development, co-ordination and delivery of activities associated with patient safety and quality improvement programmes in St Vincent's University Hospital.
- Work closely with teams and projects within the department (e.g. Clinical Risk, Patient Advice & Support, Health & Safety) and wider organisation to support patient safety and Quality improvement as required.
- To support departmental activities in relation to accreditation activity, quality improvements, quality audit, report, documentation, complaint and incident management as required.
- Support the wider activities of the Quality & Patient Safety department as required.
- To monitor and support SVUH activity regarding National QIPs and identify areas for targeted improvement or further quality intervention.
- To support the compilation of data/reports and analysis as required for use in national and local reports.

- Use data generated via Quality and Patient Safety Department (e.g. Datix/Internal Audit) in tracking & trending incidents /potential points of failure, to identify areas for targeted intervention with relevant clinical teams.
- To focus on accreditation across SVUH (including but not limited to HIQA, JAG, JCI, HPRA etc.) and establish networks to share learning and objectives where applicable.
- To track and trend quality initiatives and facilitate shared learning & communication to Quality and Patient Safety Teams/wider SVUH organisation as regards outcomes.
- To support Clinical Teams in the development of QIPs and measurements of success that contribute to improving the quality of care.
- To support Clinical Directorates to incorporate Quality initiatives and outcome/Audit data as evidence to support strategic planning and to identify areas for improvement.
- Develop & maintain a Quality and Patient Safety database of quality initiative learning and outcomes for utilisation by SVUH for reports.
- Participate and lead in reviews & audits to facilitate learning and accreditation requirements.
- To lead the development of documentation, communication and training when changes to existing processes are required.
- Work collaboratively with multiple internal and external stakeholders

Data Management Duties and Responsibilities:

- Support the QPS Advisor/ manager in the presenting of data relating to Quality and Patient Safety information for example including but not limited to –Quality and Patient Safety Executive Reports (Internal) Standards and Accreditation and relevant committees.
- Support the design of effective reports for Clinical Directorates, heads of departments and appropriate committees to enable monitoring trends for action.
- Presentation of activity metrics and analysis of same both internally & externally.
- Responsible for overseeing and monitoring report generation, analysis & presentation of status updates to the team/SVUH as required with regard to QPS QIPs.
- In conjunction with other members of the Quality and Patient Safety team, ensure that key data is being collected, measured and communicated in relation to statutory compliance, accreditation standards, external benchmarking and audit programmes.
- To deputise for the team as and when required at meetings / events such as the Quality and Patient Safety Executive meeting.
- Ensure consistency and professionalism in content and presentation of all reports and power point presentations
- Prepare clear, concise and accurate reports supported by reliable documentary evidence including relevant validated data.

Operational Risk & Quality:

- Ensure process of communication and escalating issues identified in place.
- Ensure quality tracking and auditing processes are in place and monitored.
- Promote a quality & risk management culture in project delivery through the development of appropriate quality & risk strategies and systems, supported by “best practice” tools, methodologies and performance measures.

- Support development of Risk Registers across organisation.
- Seek feedback from service users to evaluate service and support the implementation of improvements

Training and Education

- Adhere to mandatory training requirements within organisation.
- Attend external conferences relating to Quality & Patient Safety, to keep updated on national and international policies and development and communication of same both to immediate team and wider hospital.
- Communication of updates to relevant stakeholders to ensure that changes are reflected in policies, procedures, guidelines and training material.
- Present QPS information at relevant forums e.g. corporate induction.

Personal Development

- To assume responsibility for personal learning and development needs with evidence of commitment to on-going professional development

Management

- To manage, projects as assigned within the Quality & Patient Safety Department.

The above Job Description is not intended to be a comprehensive list of all duties involved and consequently, the post holder may be required to perform other duties as appropriate to the post which may be assigned to him/her from time to time and to contribute to the development of the post while in office. This document must be regarded as an outline of the major areas of accountability at the present time, which will be reviewed and assessed on an on-going basis.

The Hospital Structure is currently under review and therefore, reporting relationships may change.

Annual leave entitlement: 30 days per annum pro rata each year. Annual leave accrued must be taken within the duration of the contract or calendar year and as agreed between the candidate and the Head of Department.

Additional Information

Confidentiality:

During the course of employment staff may have access to, or hear information concerning the medical or personal affairs of patients, students, staff and / or other health service business. Such records and information are strictly confidential and unless acting on the instruction of an authorised officer, such information must not be divulged or discussed except in the performance of normal duty. In addition records must never be left in such a manner that unauthorised persons can obtain access to them and must be kept in safe custody when no longer required

Hygiene:

During the course of employment staff are required to ensure that the hospital's hygiene and infection control policies are adhered to at all times. All employees have responsibility to prevent transmission of infection by adhering to and implementing optimal hand hygiene and adhering to the Hospital's Hygiene processes. Hygiene is a fundamental component of St Vincent's University Hospital's quality system to ensure the safety and wellbeing of its patients and staff and plays a role in the prevention and control of healthcare associated infection.

Policies / Legislation:

All Hospital policies and procedures form an integral part an employment contract and may be subject to update and revision, from time to time, in consultation with union representatives as appropriate.

Employees are required to comply with all hospital policies, procedures (e.g. Dignity at Work, Trust in Care, Computer Usage Policy) and the Hospital's ethical codes of practice.

Employees are required to abide by the hospital's code of behaviour and the code of practice as defined by their relevant professional body.

Protected Disclosure Policy

See link below for more information on our Protected Disclosure Policy as per the Protected Disclosure (Amendment) Act 2022;

[Protected Disclosures - St. Vincent's University Hospital \(stvincents.ie\)](http://www.stvincents.ie)

Please note the following:

- The Hospital Board is not responsible for loss or theft of personal belongings
- Fire orders must be observed and staff must attend the fire lectures periodically
- All accidents within the department must be reported immediately.
- In line with the Safety, Health and Welfare at Work Act (2005), smoking within the Hospital Building is not permitted.
- All staff are advised to avail of Hepatitis B Vaccination with Occupational health
- The use of personal mobile phones is prohibited.
- St. Vincent's University Hospital buildings and grounds are **smoke-free**.

Application Process: St. Vincent's University Hospital is an equal opportunities employer and is committed to promoting an environment free from discrimination in accordance with the Employment Equality Acts 1998 and 2004. The Hospital values diversity and recognises the benefits of having a workforce that reflects the community we serve. We are committed to equality of access to positions within the Hospital. All recruitment activity and documentation will encourage applications from all potential candidates without discrimination.

Interested candidates should apply for vacancies of interest by visiting the Hospital Careers pages: <http://www.stvincents.ie/Home/Careers.html>

- Note the closing date(s) for the submission of on-line applications are specified on the list of vacancies. St. Vincent's University Hospital are not able to accept late applications.
- It is the applicant's responsibility to ensure that they apply well in advance of the closing date.
- Any applications which are still in progress but have not been submitted after the closing date will not be registered by our Web Recruitment System.
- Applications for St. Vincent's University Hospital job vacancies will only be accepted through our Web Recruitment System.
- St. Vincent's University Hospital may only take into account technical issues raised by an applicant if advised to our Human Resources Department prior to the advertised closing date.

Non-European Economic Area Applicants: While St. Vincent's University Hospital is an equal opportunities employer, in line with current Department of Jobs, Enterprise and Innovation Employment Permit requirements, applications from non-European Economic Area (EEA) will only be considered in

the event that an EEA citizen cannot be found to fill the vacancy. Please note that if you are a NON-EEA applicant and are unable to supply documents (listed on www.djei.ie), you are not entitled to participate in this recruitment competition. This is in accordance with the EU Community Preference Rule. Further information is available at www.djei.ie.

Former Public Service employees: Eligibility to compete may be affected where applicants were formerly employed by the Irish Public Service and previously availed of an Irish Public Service Scheme including:

- Incentivised Scheme for Early Retirement (ISER)
- Department of Health and Children Circular (7/2010)
- Collective Agreement: Redundancy Payments to Public Servants

Applicants should ensure that they are not precluded from re-engagement in the Irish Public Service under the terms of such Schemes. This is a non-exhaustive list and any queries should be directed to an applicant's former Irish Public Service Employer in the first instance.

Persons in receipt of a pension from specified Superannuation Schemes: Former Health Service and Public Sector Employees must adhere to the relevant prohibition of re-employment provisions where they have previously availed of a Public Service Voluntary Early Retirement or Ill Health Retirement Pension from any of the following Pension schemes:

- Local Government Superannuation Scheme (LGSS)
- Health Service Executive Employee Superannuation Scheme
- Voluntary Hospitals Superannuation Scheme (VHSS Officers/Non Officers)
- Nominated Health Agencies Superannuation Scheme (NHASS)
- Other Public Service Superannuation Scheme

Among the Voluntary Early Retirement Schemes referred to above are the following:

- Incentivised Scheme of Early Retirement (ISER)
- Voluntary Early Retirement Scheme 2010 (VER)

Prospective candidates must satisfy themselves as to their eligibility to be employed applying / competing for posts to be filled through this recruitment campaign.

Abatement of Pension (Section 52 of Public Service Pensions Act 2012): Where a person who is in receipt of a Public Service Pension (e.g. retired on voluntary age grounds) is subsequently appointed to another Public Service post, the Abatement of Pension Regulations apply. This means that in a situation where the total of a person's pension combined with their salary from their new post, exceeds the uprated (current) salary of the position from which they retired, his/her pension is reduced by any such excess amount. This provision applies irrespective of whether the relevant pension was accrued in the same Pension Scheme which applies to the new appointment, or in another Public Service Pension Scheme.

Shortlisting: Shortlisting will be carried out on the basis of information supplied on your curriculum vitae. The criteria for shortlisting are based on the requirements of the post as outlined in the Person Specification. Failure to include information regarding these requirements on your CV may result in you not being called forward to the next state of the recruitment process.

All overseas qualifications must be validated. No candidate can work in the Hospital without validated qualifications. If professional registration is also a requirement, candidates must provide documentation of same.

Canvassing will automatically disqualify.

Please note that you will be contacted mainly by mobile phone and email. It is important that your mobile phone number, postal address and email address are correct. It is your responsibility to ensure that you have access to your mobile voice mails and emails. We recommend that you use an email address that you have regular access to.

Competency based interviews follow the shortlisting stage of the recruitment process. Credit is awarded by the interview panel to candidates who demonstrate at interview that they possess the experience, competencies and skills listed in the person specification. Candidates will normally be given at least one week's notice of interview. All interviews are held in person unless it is specifically noted otherwise in the Job Description. No subsequent or alternative dates to dates given will be offered to candidates. All posts are located in St. Vincent's University Hospital, Elm Park, Dublin 4 unless it is specifically noted otherwise in the Job Description.

Disability: Please let us know if you need any special assistance at interview, e.g. if you have difficulty in moving up or down stairs or have hearing or speech difficulties.

Candidates are notified of the result of their interview at the earliest possible date after the interview. The recommendation of the interview panel does not constitute a job offer. The process continues after the interview and includes clearance checks such as references, Garda clearance, occupational health clearance, validation of qualifications and experience. A job offer is made pending satisfactory clearances. SVUH reserves the right to remove candidates from specific recruitment panels and retract job offers if satisfactory clearances cannot be obtained or are deemed unsatisfactory.

** If you lived in any country for 6 months or more from the date of your 16th birthday other than the Republic of Ireland or Northern Ireland you will be required to provide security clearance for each jurisdiction in which you have resided. Your security clearance must be dated AFTER you left that country and cover the entire period of your residence. Seeking security clearances from other countries are the responsibility of the candidate. It is a process which can take an amount of time. Therefore we would strongly advise that you commence seeking international security clearances now.*

For some recruitment competitions a panel of successful candidates may be formed as a result of the interviews. Candidates who obtain a place on the panel may, (within the life of the panel), be considered for subsequent approved vacancies. Candidates are placed on a panel in order of merit. A panel is typically live for 6 months.

It is normal procedure that candidates be placed on the first point of the relevant salary scale in accordance with the Department of Finance guidelines.

Declaration: Please read your application carefully and check for any errors or omissions. False declaration or omission in support of your application will disqualify you from appointment.

This document must be regarded as an outline of the major areas of accountability at the present time, which will be reviewed and assessed on an on-going basis.
